THIS AGREEMENT, date _____, is between Atlas Rental Property, LLC, (hereinafter referred to as the “Landlord”), and _____, hereinafter referred to as the “Tenant” whether one or more.

In consideration of the payment of rent and the keeping and performance of the covenants in this agreement, the Landlord hereby agrees by lease to the Tenant, and the Tenant hereby agrees to hire and take from the Landlord, the Leased Premises below pursuant to the terms and conditions specified herein:

- 1. **Leased Premises.** The “Leased Premises” are those premises described as:

- 2. **Occupants.** The house will be occupied only by Tenant that signed the lease and the following minors or additional occupants:

No one else may occupy the Leased Premises. Persons not listed above must not stay in the house for more than 14 consecutive days without our prior written consent, and no more than twice that many days in any one month. Tenant shall notify the Landlord of any anticipated extended absence from the premises in excess of fourteen (14) days no later than the fifth day of the extended absence.

For violation of said paragraph, the landlord shall have and does reserve the right to terminate this lease agreement.

- 3. **Term.** The initial term of this Lease shall be for a period of (__) years beginning on _____ and ending on _____. Either party may terminate this lease at its expiration only by giving the other party written notice not less than sixty (60) days in advance of the next upcoming renewal term. After the initial term, said lease shall automatically renew on a month-to-month basis thereafter with an increase of rent in the amount of \$100.00 per month for the next twelve (12) months and similar increases of \$100 per month on an annual basis for subsequent twelve (12) month periods the month to month tenancy continues, until one party gives the other a sixty (60) day written notice of termination OR signs a new lease renewal agreement. In no event shall this lease extend beyond a period of more than ten (10) years.

4. **Rent.** The Tenant hereby agrees to pay rent for the Leased Premises in monthly installments of:
- _____ is to be paid on or before the first day of the month for which rent is due.
 - Monthly rent amount consists of _____ Rent and _____ Tenant Liability Insurance, if applicable.
 - All payments received will be applied to the oldest unpaid charge (not limited to “rent”) on the tenant ledger.
 - The monthly rent and other charges due hereunder are due to be paid by check, money order, cahiers check, credit card, Automatic Direct Draft from the Tenant’s account, or the RentMoney feature through the tenant portal. If the Landlord agrees to take payment by mail, the amounts due are to be sent to the following address:

2015 3rd Ave N
Birmingham, AL 35203

5. **Late Payment and Return Check Charges.** In the event that rent is not received in the possession of the Landlord in full by the 1st day of the month due, Tenant(s) will be in default of this lease. The late payment charge is 10% of the monthly rental rate (_____) if the full payment is not received by the 5th day (on or before 5:00PM CT) of the month. Late fees are due immediately with rent amount once assessed. Landlord reserves the right to charge an administration fee for any notices that may need to be posted at the physical location. If Tenant’s check is returned unpaid by the bank, for any reason, Tenant agrees to pay a returned check charge of \$35.00 to cover the Landlord’s expense in addition to the late payment charge. After the first instance of a returned check or insufficient funds, all payments must be made by certified funds.

6. **Money Due Before Move-In.** Prior to taking possession of the leased premises, Tenant will provide Landlord with a security deposit payment in the amount of _____ in addition to the first month’s rent of _____ and pre-paid rent of _____ for a total of _____ due before move-in.

7. **Security Deposit.**

- On execution of this Lease, the Tenant will pay the Landlord a security deposit of _____. Landlord may place the deposit in an interest-bearing account and if so, it is agreed that Landlord is entitled to any accrued interest on the security deposit.
- The Landlord will return the Security Deposit at the end of this tenancy, less such deductions as provided in this Lease, but no deduction will be made for damage due to reasonable wear and tear (as determined by the landlord) nor for any deduction prohibited by local/state/federal law.
- Landlord or law officers may remove all property remaining in the dwelling or in common areas (including any vehicles you or any occupant or guest owns or uses) if you are judicially evicted or if you surrender or abandon the dwelling. Incurred costs will be deducted from the deposit or charged back to the Tenant.
- During the Term of this Lease or after its termination, the Landlord may charge the Tenant or make deductions from the Security Deposit for any or all of the following:
 - Repair of walls due to plugs, large nails or any unreasonable number of holes in the walls including the repainting of such damaged walls;
 - Repainting required to repair the results of any other improper use or excessive damage by the Tenant;
 - Unplugging toilets, sinks, and drains;
 - Replacing damaged or missing doors, windows, blinds, screens, mirrors, or light fixtures;
 - Repairing cuts, burns, or water damage to linoleum, rugs, and other areas;
 - Any other repairs or cleaning due to any damage beyond normal wear and tear (as determined by the landlord) caused or permitted by the Tenant, persons living with Tenant or by any person associated with Tenant or allowed on the Leased Premises by Tenant;
 - The cost of extermination where the Tenant or the Tenant’s guest brought or allowed insects or other pest into the premises or building;
 - Repairs and replacement required where windows are left open which have caused plumbing to freeze or rain or water damage to floors or walls;
 - Any other purpose allowed under this Lease (See Section “Care of Premises” under this Lease) or local/state/federal law;
 - Towing/removal charges associated with removing abandoned vehicles from the Leased Premises.

8. **Possession.** The Landlord shall make every effort to have the Leased Premises ready for Tenant on time. Because circumstances beyond Landlord's control could cause delay, Landlord shall not be liable for failure to deliver the Leased Premises at the time stipulated. In the unlikely event this happens, rent shall be adapted on a daily basis until Tenant is tendered possession. If Landlord is not able to deliver the Leased Premises to Tenant within seven (7) days after the date promised on the lease, then Tenant's deposit will be refunded in full upon request by the Tenant and this lease will become null and void.

As the Leased Premises is located in a residential area, therefore, without reflection upon the Tenant, it is agreed and understood that in the event the Tenant, or guest, or occupants of the Leased Premises shall, in the reasonable judgment of the Landlord, engage in any act or perpetrate any conduct that could interfere with the leasing of other nearby dwellings or the quiet enjoyment of other dwellings by other tenants and occupants, then the Landlord shall have and does reserve the right to terminate this lease and re-enter and take possession of the Leased Premises at any time, after first giving notice as required by law to terminate this lease.

Tenant covenants that upon the termination of this Lease Agreement, or any extensions thereof, that Tenant will quietly and peacefully deliver up possession of the Leased Premises and any appliances in good working order and clean condition, reasonable wear and tear excepted, free of Tenant's personal property, garbage, and other waste, and return keys to the Landlord.

9. **Early Termination.** This lease is an automatic renewal lease. Other than as a result of Tenant's default, the term of this lease may be terminated only as provided in paragraph 3. Tenant agrees that any attempt to vacate the leased premises before the expiration of the lease term will result in an early termination fee equal to one month's rent. Tenant also acknowledges that Tenant will be responsible for rent and other charges (for cleaning, maintenance, etc.) under this lease for the remainder of the lease term, unless and until a suitable tenant occupies the leased premises.
10. **Holdover Clause.** If the Tenant shall remain or continue to be in possession of the Leased Premises or any part thereof after the expiration of this lease, the Landlord, at Landlord's option, may treat such holding over as a renewal by the Tenant of the lease on a month to month basis, upon the same terms and conditions, except that the monthly rental rate, shall be increased as specified in paragraph 3. In the event the Landlord elects to treat such holding over as a renewal of this lease, all of the other terms of this lease shall be and remain in full force and effect for the renewal of terms.
11. **Application.** The Landlord tenders this lease to Tenant on the basis of the representations contained in the application or eligibility certification which is made part of this lease. In the event of any of the representations contained in the application or eligibility certification shall be found to be misleading, incorrect or untrue, the Landlord has the right to cancel this lease and to immediately repossess the Leased Premises.
12. **Entire Agreement.** This Lease Contract is the entire agreement between Tenant and Landlord. Tenant hereby acknowledges that Tenant has not received or relied upon any statements, representations, promises, oral agreements or inducements by either Landlord and/or its agents which are not expressly set forth herein. If not contained herein, such statements, representations, promises, oral agreements or inducements shall be of no force or effect.
13. **Other.** This lease, whether or not recorded, shall be junior and subordinate to any mortgage hereafter placed by the Landlord or owner of the property on the property of which the Leased Premises form a part. Any failure of the Landlord to take advantage of any default on Tenant's part shall not be construed as a waiver thereof.
14. **Care of Premises.** The leased premises are rented "AS IS." Tenant agrees to take good care of the Leased Premises. By signing this Lease Agreement, Tenant acknowledges Tenant has physically visited the Leased Premises or has been given the opportunity to visit the Leased Premises and accepts the Leased Premises in its "AS IS" condition. **Any additional exterior features, including storage or detached shed / garage, driveways, etc. on the Leased Premises are considered "AS-IS" structures. No repairs are conducted for these structures.**

Said Addendum shall be attached hereto in the event such an arrangement is made and approved by Landlord.

From the date utilities are turned off by cancellation or otherwise, it will be presumed that the Tenant has abandoned the property and the Landlord may enter and take possession. Tenant shall be liable for any charges or damages to the Leased Premises from the utilities being turned off or from not maintaining the minimum temperature. Utility bills and service (water, power, gas [if applicable], trash service, and so forth) are the sole responsibility of the Tenant. 16. **Right to Inspect.** Inspections will allow the Landlord to take reasonable steps to check the working order of facilities and condition of the leased premises. The Landlord will have the right at all reasonable times during the term of the lease and any renewal to enter and inspect the leased premises for, but not limited to, general cleanliness, pets, and water/structural damage. The Landlord will make an attempt to contact the Tenant at least 48 hours prior to an inspection of the Leased Premises. Penalties up to and including termination will apply if the Tenant refuses entry or is non-compliant.
 - a. If Leased Premises requires annual inspections due to HUD requirements in order to continue tenancy and if the Tenant is not compliant with the process of getting repairs completed, the Tenant will then become liable for all expenses, including unpaid rent when allowed, related to disqualification of the Leased Premises.

Landlord agrees, however, not to unreasonably withhold consent hereunder. In the event a sublease is approved by the Landlord, there will be a \$50 administrative fee that must be paid by the current Tenant.

23. **Communication.** The Tenant agrees to accept unsolicited text messages from Landlord or its agents, employees or contractors. It is the Tenant's responsibly to notify Landlord if at any point the Tenant's communication methods change, including, but not limited to, phone numbers and email addresses.

24. **Fire Hazards and Condemnation.** Tenant shall not permit any hazardous act which might cause a fire or that will increase the rate of insurance of the Leased Premises. If the Leased Premises become uninhabitable by reason of natural disasters or fire not caused by the negligence of Tenant or of Tenant's agents, servants, or guest(s), the rent shall be suspended until the same has been restored to habitable condition.

If all or any part of the leased premises is taken by eminent domain, this lease shall expire on the date of such taking, and the rent shall be apportioned as of that date. No part of any award shall belong to Tenant.

The Landlord may rent the Leased Premises for such rent as the Landlord may be able to obtain, making such changes and repairs as may be required, giving credit for the amount so received, less all expenses.

28. **Compliance with Laws and Regulations.** Tenant, at Tenant's expense, shall promptly comply with all federal, state, and municipal laws, orders, and regulations, and with all lawful directives of public officers, which impose any duty upon Tenant or Landlord with respect to the leased premises.

In order to further secure the prompt payment of said rents, as and when the same mature and the faithful performance by the Tenant of all the terms, conditions, and covenants herein contained, and all the damages that the Landlord may sustain by the reason of the violation of said terms, conditions and covenants, or any of them, the Tenant does hereby waive any and all rights to claim personal property as exempt from levy and sale under the laws of any states or the United States.

30. **Jury Trial Waiver, Mediation, Non-binding Arbitration and Venue:**

Thereafter, any unresolved claims shall be submitted to non-binding arbitration administered by the AAA in accordance with its Non-Binding Arbitration Rules except that Rule 4 (b) is amended to allow an answer to be filed within thirty (30) calendar days, the parties will be allowed to pick from a list of arbitrators and the parties do not waive oral hearings. The parties further agree to submit to non-binding arbitration the issues of substantive and procedural arbitrability, including defenses to arbitration and all disputes regarding the enforceability, interpretation, breadth, scope and meaning of this Lease. The parties reserve their rights to resolve unlawful detainer actions for possession as well as disputes involving less than \$20,000.00 in an applicable small claims or district court in the county and state in which the premises are located that are

within the scope of the small claims' or district court's jurisdiction. In the event non-binding arbitration does not totally resolve all claims and for disputes less than \$20,000.00, it is agreed that the sole and exclusive venue for any lawsuit filed against Landlord, Property Owner or such other related party shall be in the county and state in which the leased property is located. It is further agreed that the substantive law of the State in which the leased property is located shall apply without regard to any conflict of law rules. Unless all parties agree otherwise, the non-binding arbitration decision or award may not be entered in any federal or state court having jurisdiction. **WAIVER OF JURY TRIAL AND CLASS ACTION PARTICIPATION.** To minimize legal expenses and, to the extent allowed by law, Tenant(s) and Landlord along with the Property Owner agree that a trial of any lawsuit based on statute, common law, and/or related to or arising from this Lease or any obligations, duties or repairs related to the premises shall be to a judge and not a jury. MOLD INFORMATION AND PREVENTION ADDENDUM

Property Address: _____

This Addendum constitutes an Addendum to the above-described Lease Agreement for the above-described premises, and is hereby incorporated into and made a part of such Lease Agreement. Where the terms or conditions found in this Addendum vary or contradict any terms or conditions found in the Lease Agreement, this Addendum shall control.

- 3. ABOUT MOLD.** Mold is found virtually everywhere in our environment—both indoors and outdoors and in both new and old structures. Molds are naturally occurring microscopic organisms which reproduce by spores and have existed practically from the beginning of time. All of us have lived with mold spores all our lives. Without molds, we would all be struggling with large amounts of dead organic matter. Mold breaks down organic matter in the environment and uses the end product for its food. Mold spores (like plant pollen) spread through the air and are commonly transported by shoes, clothing and other materials. When excess moisture is present inside a dwelling, mold can grow. A 2004 Federal Centers for Disease Control and Prevention study found that there is currently no scientific evidence that the accumulation of mold causes any significant health risks for persons with normally functioning immune systems. Nonetheless, appropriate precautions need to be taken.
- 4. PREVENTING MOLD BEGINS WITH YOU.** In order to minimize the potential for mold growth in your dwelling, you must do the following: Keep your dwelling clean—particularly the kitchen, the bathroom(s), carpets and floors. Regular vacuuming, mopping and using a household cleaner to clean hard surfaces is important to remove the household dirt and debris that harbor mold or food for mold. Immediately throw away moldy food. Remove visible moisture accumulation on windows, walls, ceilings, floors and other surfaces as soon as reasonably possible. Look for leaks in washing machine hoses and discharge lines—especially if the leak is large enough for water to infiltrate nearby walls. Turn on any exhaust fans in the bathroom and kitchen before you start showering or cooking with open pots. When showering, be sure to keep the shower curtain inside the tub or fully close the shower doors. Also, experts recommend that after taking a shower or bath: (1) wipe moisture off of shower walls, shower doors, the bathtub and the bathroom floor; (2) leave the bathroom door open until all moisture on the mirrors and bathroom walls and tile surfaces has dissipated; and (3) hang up your towels and bath mats so they will completely dry out. Promptly notify us in writing about any air conditioning or heating system problems you discover. Follow our rules, if any, regarding replacement of air filters. Also, it is recommended that you periodically open windows and doors on days when the outdoor weather is dry (i.e., humidity is below 50 percent) to help humid areas of your dwelling dry out. Promptly notify us in writing about any signs of water leaks, water infiltration or mold. We will respond in accordance with state law and the Lease Agreement to repair or remedy the situation, as necessary. Keep the thermostat set to automatically circulate air in the event temperatures rise to or above 80 degrees Fahrenheit.
- 5. IN ORDER TO AVOID MOLD GROWTH,** it is important to prevent excessive moisture buildup in your dwelling. Failure to promptly pay attention to leaks and moisture that might accumulate on dwelling surfaces or that might get inside walls or ceilings can encourage mold growth. Prolonged moisture can result from a wide variety of sources, such as: rainwater leaking from roofs, windows, doors and outside walls, as well as flood waters rising above floor level; overflows from showers, bathtubs, toilets, lavatories, sinks, washing machines, dehumidifiers, refrigerator or A/C drip pans or clogged up A/C condensation lines; leaks from plumbing lines or fixtures, and leaks into walls from bad or missing grouting/caulking around showers, tubs or sinks; washing machine hose leaks, plant watering overflows, pet urine, cooking spills, beverage spills and steam from excessive open-pot cooking; leaks from clothes dryer discharge vents (which can put lots of moisture into the air); and insufficient drying of carpets, carpet pads, shower walls and bathroom floors.
- 6. IF SMALL AREAS OF MOLD HAVE ALREADY OCCURRED ON NON-POROUS SURFACES** (such as ceramic tile, Formica, vinyl flooring, metal, wood or plastic), the federal Environmental Protection Agency (EPA) recommends that you first clean the areas with soap (or detergent) and water, let the surface dry, and then within 24 hours apply a pre-mixed, spray-on-type household biocide, such as Lysol Disinfectant®, Pine-Sol Disinfectant® (original pine-scented), Tilex Mildew Remover® or Clorox Cleanup®. (Note: Only a few of the common household cleaners will actually kill mold). Tilex® and Clorox® contain bleach which can discolor or stain. Be sure to follow the instructions on the container. Applying biocides without first cleaning away the dirt and oils from the surface is like painting over old paint without first cleaning and preparing the surface. Always clean and apply a biocide to an area 5 or 6 times larger than any visible mold because mold may be adjacent in quantities not yet visible to the naked eye. A vacuum cleaner with a high-efficiency particulate air (HEPA) filter can be used to help remove non-visible mold products from porous items, such as fibers in sofas, chairs, drapes and carpets— provided the fibers are completely dry. Machine washing or dry cleaning will remove mold from clothes.
- 7. COMPLIANCE.** Complying with this addendum will help prevent mold growth in your dwelling, and both you and we will be able to respond correctly if problems develop that could lead to mold growth. If you have questions regarding this addendum, please contact us at the management office or at the phone number shown in your Lease Agreement. If you fail to comply with this Addendum, you can be held responsible for property damage to the dwelling and any health problems that may result. We can't fix problems in your dwelling unless we know about them.

REQUIRED INSURANCE ADDENDUM TO LEASE AGREEMENT

This Addendum is attached to and becomes a part of the Lease Agreement. For the duration of the Lease, Tenant is required to maintain and provide the following minimum required insurance coverage:

- \$100,000 Limit of Liability for Tenant's legal liability for damage to Landlord's property for no less than the following causes of loss: fire, smoke, explosion, backup or overflow of sewer, drain or sump, and water damage ("Required Insurance").

Tenant is required to furnish Landlord with evidence of Required Insurance prior to occupancy of leased premises and at the time of each lease renewal period. Tenant's certificate of insurance must include "Atlas Rental Property, LLC" as additionally insured to be considered a qualified self-acquired policy. If at any time Tenant does not have Required Insurance, Tenant is in breach of the Lease and Landlord shall have, in addition to any other rights under the Lease, the right but not the obligation to purchase Required Insurance coverage protecting the sole interest of the Landlord and seek contractual reimbursement from the Tenant for all costs and expenses associated with such purchase. This may be referred to as "force placed insurance."

Tenant may obtain Required Insurance or broader coverage from an insurance agent or insurance company of Tenant's choice. If Tenant furnishes evidence of such insurance and maintains the insurance for the duration of the Lease, then nothing more is required. If Tenant does not maintain Required Insurance, the insurance requirement of this Lease may be satisfied by Landlord, who may purchase such coverage through the Landlord's Legal Liability Insurance Policy ("LLIP"). The coverage provided under the LLIP will provide the Required Insurance coverage listed above. An amount equal to the total cost to the Landlord for the LLIP coverage shall be charged to Tenant by the Landlord as a recoverable expense under the Lease. Some important points of this coverage, which Tenant should understand are:

1. LLIP is designed to fulfill the insurance requirement of the Lease. Landlord is the Insured under the LLIP. This is single interest forced placed insurance. Tenant is not an Insured, Additional Insured or beneficiary under the LLIP. All loss payments are made to the Landlord.
2. LLIP coverage is NOT personal liability insurance or renter's insurance. LLIP does not cover the Tenant's personal property (contents), additional living expenses or liability arising out of bodily injury or property damage to any third party. If Tenant requires any of these coverages, then Tenant should contact an insurance agent or insurance company of Tenant's choice to obtain personal liability insurance or Renters Insurance to protect Tenant's interests.
3. Coverage under the LLIP may be more expensive than the cost of Required Insurance obtainable by Tenant elsewhere. At any time, Tenant may contact an insurance agent or insurance company of their choice for insurance options to satisfy the Required Insurance under this Lease.
4. If Tenant has purchased Renters Insurance and at any time allows such Renters Insurance to lapse in breach of the Lease Agreement, Landlord may purchase Landlord Insurance without notice and add the total cost associated therewith to Tenant's monthly rent payment.
5. Licensed insurance agents may receive a commission on the LLIP.
6. The total cost to the Tenant for the Landlord obtaining LLIP shall be ten dollars (\$10.00) per month. This is an amount equal to the actual premium charge to the Landlord, including any premium taxes and fees assessed by governing bodies, and also includes a four dollar (\$4.00) administrative expense fee for the expense of processing monthly payments and administering this program. There is no other fees, cost or charge added to or included within this total cost.
7. In the event that loss or damage to Landlord's property exceeds the amount of Required Insurance, Tenant shall remain contractually liable to Landlord for such amount. In the event of liability to any other party for bodily injury or property damage, Tenant shall remain liable to such other party.
8. It shall be the Tenant's duty to notify Landlord of any subsequent purchase of Renters Insurance.

As used in this Addendum: "Lease" may be interchangeable with "Lease Agreement"; "Tenant" may be interchangeable with "Resident" or "Lessee", and "Landlord" may be interchangeable with "Lessor" or "Owner".

Scheduling of the premises under the LLIP is not mandatory and Tenant may purchase Required Insurance from an insurance agent or insurance company of Tenant's choice at any time and coverage under the LLIP will be terminated by the Landlord.
